Print

Get the most out of your print advertising with our technical specifications.

Add 5mm bleed on all margins to all dimensions

Leave a 12mm wide space on the left and right margin free of important info to allow for binding & trim.

1. Please provide files as a PDF
2. 300 dpi
3. No crop marks
4. There may be a design fee for advertisements that have been incorrectly supplied and need to be altered.
5. The maximum file size we accept is 10MB. For larger files we use Dropbox.

All care will be undertaken to give you the best possible result.
